Subject: R. J. McCarthy's New Store Location

Hi everyone.

I want you all to know that McCarthy's is opening a new store across the

street from the Vaughan-Mills Shopping Centre on Bass Pro Road. This store will become the designated site for all STL uniforms. The store should be up and running by the end of June. This means the store at Victoria Park and Midland will no longer be stocking STL items as of

July.

McCarthy's will send a flyer to each STL student household informing them of this new location.
